God at work in China

2015 Ministry Highlights

"I have a special burden for children who are hurting. During your training I learned how to tolerate with love, accept, affirm, encourage, and appreciate them. I want to start a small group ministry in my church which aims at healing children's hearts." - Jieyang

*How great are your works, LORD,
how profound your thoughts!
—Psalm 92:5*

"I desire to learn more on how best to lead a small group and learn more of personal spiritual growth so that I will do a better job in future when I serve a youth ministry and lead small groups. Thank you for coming and teaching me." - Guiyang

"Thank God for His guidance that allowed me to learn about this book of Revelation during your training because it is very difficult to understand. After these trainings I have a better understanding." - Huangshi

"Thanks... in this training you gave I learned how to study the Bible and how to invite and bring unbelievers to the Lord so that many more souls will be saved. I will share what I have learned with others so that we can grow together." - Guiyang

(Actual testimonies received after CP training sessions were completed.)

- **1,145 pastors & church leaders** were trained in 10 different cities. Thanks for praying! God keeps doing amazing things.
- **Subjects taught** during our Pastoral Training Seminars (PTS) included *Biblical Principles of Leadership, Discipleship, Pastoral Care, Small Group Ministry, and Marriage & Family Ministry.*
- **Over 3,670 theological study books (455 Pastor Packs)** were distributed to emerging Christian leaders in seven

different cities.

- China Partner was invited to conduct pastoral trainings **in several new cities in China**; we continue to pray for God's wisdom where we should take future training teams.

*The LORD has done this and it is marvelous in our sight.
— Psalm 118:23*

Dear partner in His mission,

2015 was an amazing year. God is working in China. This is evident with the thousands of Chinese who made commitments to Christ and the churches that continue to overflow with people curious about Jesus and His story. And we have the privilege to be a strategic part of His work.

With God's help we were able to train over 1,100 Christian leaders helping them become more effective ministers of the Gospel. We are convinced that the best way to reach the lost in China is by training those who already live and work right next to them—the indigenous Chinese Christian.

This annual report shares the story of what God did in China in 2015. As you review the year with us, I trust you take a moment to praise God for all He has done. Thank you for serving with us in God's mission in China.

On mission with God,

Erik Bürklin
